TFO (Double Yarn) & Woven Fabrics

Deesan Tex Fab Pvt Ltd
Home Furnishings

Dweta Garments Pvt Ltd
Knitted Garments – 12000pcs/day

Capacity at a Glance

Ginning

Having 7 factories each having 24 ginning m/cs which give the fibre required for spinning for entire year.

Spinning

The seeds are provided by the company at concessional basis to the farmers after testing it at the mill laboratory for quality of seeds and the same output is then bought back from the farmers if the cotton seeds are within the range of the quality parameters.

Cotton SL+30mm.

Ne12s to 80s Single & Double Combed Yarn.

Contamination Controlled Yarn.

Compact Spinning Technology.

Maintaining 5% Uster Level Norms.

LMW & Rieter, Zinser & Schlafhorst m/cs

HVI, AFIS, UTR-3, UT-5 & Classimat-3 Quality Testing

Equipments

Electronic Cleared yarn with SIRO & ZENIT for PP control.

Xorella Conditioning gives extra Strength & Compact structure to yarn.

CLIENTELE:

**WELSPUN, ARVIND, ASHIMA, ALOK TEXTILES,
ARAD (ISRAEL), VILLARTEX (PORTUGAL),
NABIBATEX (PORTUGAL)**

Knitting

Grey Knitting:

Mayer & Cie Knitting plant – 6000kgs/day

Interlock – 13" dia x 24 gauge – 2 m/cs

Rib – 30" dia x 18 gauge – 2 m/cs

S/J & Pique – 30" dia x 28 gauge – 6 m/cs

3 Thread Fleece – 30" dia x 20 gauge – 1 m/c

All m/cs are with Lycra attachment.

Autostripper – 30" dia – 24 gauge – 1 m/c

Autostripper – 34" dia – 24 gauge – 1 m/c

**CLIENTELE: - ASHIMA, ARVIND, TEXPORT
INDUSTRIES, BENTEX (USA)**

Knitted Fabric Dyeing- [Open width & Tubular]

We do processing of 210 000 Kgs of fabric per month
M/c Details ---

Ecomaster-140/1 PL -250Kgs
Ecomaster-140/1 DSPL-500Kgs
Ecomaster-140/3 PL -750Kgs
Ecomaster-140/2 DSPL-1000Kgs
Minisoft E 140/1 -60Kgs

We have OrgaTex software for centralized controlling of all Dying machines

Datacolor colour matching systems

James Heal Testing instruments

CLIENTELE: - MARKS & SPENCERS & NEXT UK

Processing

Yarn Dyeing

We do dyeing of 90000 Kgs of yarn per month
M/c Details ---

Ecobloc – 650 KB - 60 Kg Capacity
Ecobloc- 800KB - 125Kgs Capacity
Ecobloc –1200KB – 260Kgs Capacity
Ecobloc - 1800KB – 500Kgs Capacity
Ecobloc Quattro -229/4/6- 24Kgs Capacity for Sampling

CLIENTELE: - MARKS & SPENCERS & NEXT UK

Weaving

We produce 300,000 mtrs of fabric per month.
M/cs details ---

Warping –Ben Direct --- Benninger -- 1
Sizing – Ben size -- Benninger --- 1
Leasing – in m/c – Todo , Japan -- 1
Warp tying m/cs – Knotex, Germany –3
Weaving m/c

Picanol Omni plus & Omni plus 800 airjet weaving looms 28
looms with 16 shafts dobbie & 68 looms with 10 shafts cam

All weaving m/cs are with over head cleaners.

We have 96 weaving m/cs, with 4 pick insertion facility

Complete plant is conditioned by Luwa technology.

We follow 4 point American system for fabric grading at inspection stage.

CLIENTELE:- BOMBAY DYEING, WELSPUN, HIMATSINGKA
LINENS, CREATIVE GARMENTS, GHCL LTD., INDOCOUNT,
MORARJI LTD.

MADE UPS

Bed sheet: 1000 sets (set --Flat sheet, Fitted, set of Pillow cover)

Sewing m/cuss

Single needle lock stitch m/c -- Juki - 22

Zigzag m/c—Computer control Direct drive high speed
Juki- 05

Over lock m/cs Two needle five thread - Pegasus - 05

All the m/cs are with under bed fabric trimmers and Servomotors, computer control. with folders and metering device for accurate quality.

CLIENTELE:- SEVENTH AVENUE(USA), VENUS LTD(USA), LTD COMMODITIES LLC(USA), HUDSON BAY(USA), LINEN & SOURCE(USA), LAMERINHO(PORTUGAL), MULTIMEX S.A. (BRAZIL)

Garment Division

Factory View - Machinery Details

Interlock Stitching machines from PEGASUS (Japan)

Overlock stitching machine from JUKI (Japan)

Button sewing machine with feeder from JUKI (Japan)

High-speed Bartacking Machine from JUKI (Japan)

High-speed Lockstitch Buttonholing Machine from JUKI (Japan)

Precision Over Edgers from PEGASUS (Japan)

Compact Pressuriser from HASHIMA (Japan)

Hi-precision designing software from GERBER –Germany for Perfect garment patterns & designs

Auto Cutters from EAST MAN (Germany) - capacity 11.5 inches .Thick cloth layer in one step

Airbed Band knife Cutters from EASTMAN (Germany)

CLIENTELE: -

BENETTON, GLOBUS, M-SQUARE, OTTO (GERMANY), STAINMART (USA), CLAN INTL (CANADA), MANHATTAN (USA)

Products

3,00,000 pcs/month of a Wide Range of 100% cotton Knitted garments.

Basic Polo T-Shirts.

Crew Neck T-Shirts.

Cut & Sew Designs T-Shirts.

Boxer Shorts.

Mercerized S/J & PQ Quality.

Feeder Striper, Auto Striper & Jacquard Mercerized & Non-Mercerized Quality.

Basic Printed Quality.

Enzyme Washed Garments.

Design Developments

Quality Control

Better Quality Yarn tested with imported equipments at yarn stage.

Fabric Quality taken care by world class Mayer & Cie m/cs.

Dyed fabric sourced at the required Parameters.

On Line Bundle checking.

Garmenting 2.5 AQL at all stages.

Training

Staff & Operators trained by SGS Team.

Educated Operators from local area trained by trained staff.

15 operators batch trained in cycle.

Training workshops, conducted for the workers and managers, help sharpen professional skills needed for handling cloth on the sophisticated Japanese and other imported machines.

Regular Meeting by Senior Staff.

Social Responsibility

An equal opportunity employer, at our Group we see employee welfare not merely as an altruistic endeavour, but more as a business imperative. After all, a content workforce is a committed workforce.

A subsidised canteen and mess with one kitchen for both the workers as well as officers.

Large numbers of women are employed in the plants with transport facility provided.

Milk packs to be provided to worker & staff at very reasonable prices.

Regular meetings are conducted for the workers to foster a sense of belonging and encourage two-way communication amongst workers.

Community events take place at least once a month.

Widening & deepening of waterways to bring up the water table in area.

Seed distribution to farmer to grow extra long staple cotton.

Soil testing lab for farmers

President of Shri VileParle Kelavani Mandal which runs no. of education institution like Narsee Monjee Institute of Management Studies (NMIMS) & N.M. College & D.J. Sanghvi College of Engineering which is the best in the country & also runs no. of Schools

The chairman Shri Amrish Bhai Patel is the Chancellor of NMIMS University

Being a Socialist he has taken this world class education of NMIMS University to Shirpur so that the rural area can get a high class education.

Shri Amrish Patel also runs a trust in Shirpur with 80 institutions: Pharmacy, Engineering, B.Ed, D.Ed, MCA, Graduate Courses & Pre-Primary, Higher Secondary Schools.

Future Plans

Spinning :2,00,000 Spindles Expansion

Towel Plant: 400 tons/month

Shirting Plant: 3.6 lacs meters/month

Wider width sheeting expansion of 72 looms

Future Strategy

Strategic Alliances with Brands

Strategic Partnership with Retail Chains

To create world class manufacturing facilities to service our alliance partners

To create innovative design centre to service our alliance partners

To continuously offer innovative / value added products
